+ GUINEA BISSAU AND CABO VERDE

CERMI, PRAIA, CABO VERDE, 15TH TO 26TH JULY 2019

The Luxembourg Agency for Development Cooperation (LuxDev) in Praia, Cabo Verde, and the Centre for Renewable Energy and Industrial Maintenance of Cabo Verde (CERMI) are pleased to announce a **Training of Trainers on Energy Efficiency**, under the Project "Strengthening the Regional Position of CERMI" financed by the European Union and implemented by LuxDev, in close collaboration with the CERMI.

The Training of Trainers on Energy Efficiency **will be held at CERMI, Praia, Cabo Verde, from 15th to 26th of July 2019**.

The two-week training will be delivered, in English, by internationally recognized specialists, covering both theoretical concepts and practical aspects of energy efficiency.

Candidates must be trainers from English speaking ECOWAS countries (Nigeria, Ghana, Liberia, Sierra Leone, Gambia) + Guinea Bissau and Cabo Verde Training Institutions, with teaching experience on energy efficiency, or energy efficiency experts interested in becoming trainers in the field.

The selection of candidates will be made based on predefined criteria, in order to ensure the expected quality of the training and the necessary balance between countries. **Female applications are strongly encouraged.**

Candidates coming from the target countries training institutions are required to apply to the referred Training of Trainers on Energy Efficiency, **by filling in /completing the attached survey and uploading their Curriculum Vitae.**

The on-line application is opened until the 23rd of June 2019: https://www.surveymonkey.com/r/WZDFT8T

LuxDev will cover the costs of the selected participants in Praia:

- An economy class, round-trip ticket;
- Accommodation and full board (breakfast, lunch and dinner);
- Local transportation (hotel-CERMI-hotel).

Selected candidates will be contacted by the 28th of June 2019.
